

## INFRARED THERMOMETER

**PRODUCT CODE: STINTAB-40**

**PRODUCT SPECIFICATION:**

- \* New design of infrared probe is safe enough to protect ear canal.
- \* The upgrading material is more comfortable.
- \* Innovative temperature compensation technique
- \* Professional accuracy
- \* Accurate, precise and fast

**PRODUCT FEATURES:**

Measurement range: 34°C~42.2C  
Consumed power: ≤ 40mW  
Total weight: 55±5g (without batteries)  
Measurement time: 2s±1s  
Auto power off: 30±5s  
Minimal division value: 0.1°C  
Basic size: 140\*40\*67mm

**Certification:**

FZS1 BG03-BG04, Jebel Ali Free Zone, P. O. Box 487449 Dubai, UAE
